# World Languages Final Project

**INSTRUCTIONS:** Your final project is to create a digital presentation/infographic about any language that we have not covered in class (and also not English). The goal of your poster is to encourage other people to learn that particular language. You can research any language other than English, French, Spanish, German, or Ojibwe.

### What to include on your poster (and what to research)

1. The name of the language
2. Where the language is spoken (include ALL countries where it is either an official language or an important cultural language)
3. At least three reasons why it's important to learn another language in general
4. At least five reasons why it is important to learn this language specifically
5. The following words in the language:
  - a. Hello (if there are both formal and informal ways to do this, make sure to include both and label them)
  - b. Good-bye
  - c. Numbers 1-10
6. Two cultural facts about a country that speaks this language
7. Any other information you think is important, relevant, or necessary

### Poster Design

You may design the poster however you would like, so long as you include some pictures in addition to the items above.

### Submitting Presentation

Submit your presentation to Moodle following the instructions on the back.

### Grading

You will be graded in the following manner:

	<b>Outstanding (9-10 points)</b>	<b>Satisfactory (7-8.5 points)</b>	<b>Unsatisfactory (&gt;7 points)</b>
<b>Written Description</b>	Description includes all required elements. Facts included are accurate.	Description includes all of the required elements. Facts included are mostly accurate.	Description is missing one or more required element(s); OR many facts included are inaccurate.
<b>Presentation Design</b>	Presentation includes pictures and/or drawings. Design clearly indicates a high level of effort.	Presentation includes pictures and/or drawings. Design clearly indicates some effort.	Presentation does not include pictures and/or drawings; OR design clearly indicates minimal effort.
<b>TOTAL</b>	...../20		

### Due Date

Your poster must be completed by the end of the day on Friday, February 10. It must be submitted to Moodle. Instructions are on the back.

## How to submit

You should submit your project to the assignment link in Moodle. To do so:

1. Download your Google Slides to PDF (File > Download As > PDF).
2. Go to Moodle (<http://mtpleasant.glk12.org/>) and login.
3. Click on **World Languages Explore**.
4. Click on **Submit World Languages Final Project**.
5. Click **Add Submission**.
6. Find your download in the lower left corner. Click, hold, and drag it to the blue arrow. If you don't see your download in the lower left, click on the blue arrow and go Upload a File (on the left) > Choose File. Then, find and select your file.
7. Click **Save Changes** when done.

**IF ALL ELSE FAILS:** Share your Google Slides with [tmorkin@mp.edzone.net](mailto:tmorkin@mp.edzone.net) or email your slides to me (just make sure they're in PDF format, as .gslides format will not work). **Please only do this if you've tried submitting to Moodle first.**
